CITIZEN ECO-DRIVE

The Citizen Watch Company has the distinct honor of holding many titles for first in its history of over 75 years. The company was founded in 1930 and given its name as a way to appeal to the emotions of the wearer. This was to be their watch for all citizens. It was one of the first watch companies to target the masses in the wrist watch craze that was just beginning. Today, the wrist watch is an accessory as well as a fashion statement, with many people owning several styles to suit their own tastes and reflect their special interests and hobbies.

Custom Jewelry Available

CA specialist of technical watches, Breitling has played a crucial role in the development of the wrist chronograph and is a leader in this complication. The world's only major watch brand to equip all its models with chronometer-certified movements, the ultimate token of precision, Breitling is also one of the rare companies to produce its own mechanical chronograph movement, entirely developed and manufactured in its own workshops. This family business is also one of the last remaining independent Swiss watch brands.
